

ReElect Judge Chuck Snyder

Whatcom County Superior Court

I Wish To Make A Financial Contribution

Chuck would like to say: “To my friends in the legal profession: As you all know, judicial elections are a bit different from traditional political contests. In order to maintain the position of fairness so important to the judicial process, I have decided not to accept financial contributions from practicing attorneys, though I welcome your help in other ways in support of my candidacy for Superior Court Judge. Thank you for honoring this choice.”
